

WIO 2011

BEST PAPER AWARDS

The Best Paper Award Committee of the 10th International Workshop on Information Optics has the honor of delivering the Best Paper Award to

T. Kakue, T. Tahara, Y. Awatsuji, K. Nishio, S. Ura, T. Kubota, and O. Matoba

for their paper entitled

"High-speed parallel phase-shifting digital holography"

With the congratulations of

The President of the WIO 2011 Best Paper Award Committee

The Representative of the Organizers of WIO 2011

*WIO 2011 was co-sponsored by IEEE Photonics Society, European Optical Society,
Universitat Jaume I and University of Valencia.*
